7. FREQUENTLY ASKED QUESTIONS (FAQ)

1. COMPANY OVERVIEW

NexaTel Communications is a telecommunications service provider offering mobile (prepaid & postpaid), broadband (fiber), and DTH services across India. NexaTel serves customers in Tamil Nadu, Karnataka, Maharashtra, Delhi NCR, and West Bengal.

Registered Office: NexaTel Communications Pvt. Ltd., Tower 4, IT Corridor, Chennai, Tamil Nadu – 600096

Customer Care: 1800-XXX-6392 (toll-free) | support@nexatel.example.com **Website:** www.nexatel.example.com

1.1 Voice Assistant Language Support

The NexaTel voice assistant currently supports customer queries in **English, Hindi, and Tamil**, with automatic language detection at the start of each call. If the assistant is not confident it has understood a query correctly, or the request requires human judgment (e.g., legal disputes, complex account changes), the call is transferred to a human agent along with a summary of the conversation so far, and the customer is not asked to repeat themselves.

2. MOBILE PLANS

2.1 Prepaid Plans

Plan Name	Price	Validity	Data	Voice	SMS	Extra Benefits
Nexa Basic	₹199	28 days	1 GB/day	Unlimited	100/day	—
Nexa Smart	₹299	28 days	2 GB/day	Unlimited	100/day	NexaTV subscription
Nexa Plus	₹449	56 days	2.5 GB/day	Unlimited	100/day	NexaTV + Cloud storage 50GB
Nexa Max	₹719	84 days	3 GB/day	Unlimited	100/day	NexaTV + Cloud storage 100GB + Accidental insurance cover ₹2L
Nexa Annual	₹2999	365 days	2 GB/day	Unlimited	100/day	NexaTV + Cloud storage 100GB
Data Top-up	₹49	Same as base plan	1 GB	—	—	Add-on only, requires active base plan

2.2 Postpaid Plans

Plan Name	Monthly Rental	Data	Voice	SMS	Extra Benefits
Nexa Postpaid Lite	₹399	40 GB total	Unlimited	100/day	—
Nexa Postpaid Pro	₹599	75 GB total	Unlimited	100/day	NexaTV + International roaming credit ₹500
Nexa Postpaid Family (4 connections)	₹1499	100 GB shared	Unlimited	100/day/line	NexaTV + 4 OTT subscriptions

Postpaid Billing Cycle: Bills are generated on a fixed date each month (assigned at activation) and are due within 15 days of generation. A grace period of 5 days is provided after the due date before service suspension.

2.3 Broadband (Fiber) Plans

Plan Name	Monthly Rental	Speed	Data Cap	OTT Bundle
Nexa Fiber Basic	₹599	50 Mbps	Unlimited	—
Nexa Fiber Home	₹899	150 Mbps	Unlimited	3 OTT apps
Nexa Fiber Pro	₹1299	300 Mbps	Unlimited	6 OTT apps
Nexa Fiber Max	₹1999	500 Mbps	Unlimited	10 OTT apps + Static IP

Installation charge: ₹500 (waived on 12-month plan commitment) **Security deposit (router):** ₹1500, refundable on return of undamaged equipment at disconnection.

2.4 DTH Plans

Plan Name	Monthly Price	Channels	HD Channels	Extra Benefits
Nexa DTH Lite	₹199	150+	10	—
Nexa DTH Family	₹349	250+	30	Regional language pack included
Nexa DTH Premium	₹549	350+	60	2 OTT apps + Sports pack

DTH installation: Free with 6-month plan commitment; ₹350 one-time charge otherwise. Set-top box security

deposit: ₹1000, refundable on undamaged return at disconnection.

2.5 Corporate / Business Plans

Plan Name	Monthly Rental (per line)	Minimum Lines	Data	Extra Benefits
Nexa Business Starter	₹499	5	50 GB/line	Shared corporate dashboard, single consolidated bill
Nexa Business Pro	₹799	10	100 GB/line	Dedicated account manager, priority support (2-hour SLA)
Nexa Business Enterprise	Custom pricing	50+	Custom	Dedicated infrastructure, custom SLA, API access for usage reporting

Corporate plans require a company PAN, GST registration, and an authorized signatory letter for KYC. Billing is consolidated monthly with itemized per-line usage reports.

3. TERMS AND CONDITIONS

3.1 General

1. By activating or using any NexaTel service, the customer agrees to these Terms and Conditions.
2. NexaTel reserves the right to modify plans, pricing, or terms with 30 days' prior notice via SMS, email, or app notification.
3. Services are subject to network availability and coverage in the customer's location.
4. Customers must complete KYC (Know Your Customer) verification with valid government ID before activation.

3.2 Fair Usage Policy (FUP)

1. Once the daily/monthly data limit under a plan is exhausted, internet speed will be reduced to 64 Kbps for the remainder of the period, unless a data top-up is purchased.
2. Voice calls marked "unlimited" are subject to a Fair Usage cap of 3000 minutes/month for local + STD calls combined. Usage beyond this cap will be charged at ₹0.50/minute for local and ₹1/minute for STD calls.
3. Broadband "unlimited" data plans are subject to fair usage; sustained usage above 1TB/month on a single connection may result in a review call from NexaTel support to confirm no commercial/resale usage is occurring.

3.3 Roaming

1. Domestic roaming is included free in all postpaid plans and select prepaid plans (Nexa Plus and above).
2. International roaming requires an active International Roaming (IR) pack, purchasable via the NexaTel app, starting at ₹499 for 1GB/7 days (country-dependent).
3. Roaming charges apply from the moment the device connects to a partner network abroad; customers are advised to activate IR packs before travel.

3.4 ISD (International Calling) Rates

1. ISD calling does not require any special activation for postpaid customers; charges are billed per minute based on the destination country's tariff slab (available in-app under "ISD Rates").
2. Prepaid customers must have sufficient balance; typical rates range from ₹5/min (South Asia, Gulf countries) to ₹15/min (North America, Europe, Australia).
3. An ISD Value Pack (₹299 for 100 minutes to select countries, 28-day validity) is available for frequent international callers via the NexaTel app.

3.5 Service Suspension & Termination

1. NexaTel may suspend services for: non-payment of dues beyond the grace period, suspected fraudulent activity, submission of false KYC information, or violation of these terms.
2. Prepaid connections not recharged within 90 days of expiry will be permanently deactivated and the number may be recycled.
3. Postpaid connections unpaid for 45+ days will be permanently disconnected; the outstanding balance will be sent to collections.
4. Customers may request voluntary termination of postpaid/broadband services with 30 days' written notice; early termination within a committed contract period may attract an Early Termination Fee (see Section 4.3).

3.6 Data Privacy & Consent Policy

1. NexaTel collects customer data (KYC details, usage patterns, location for network optimization, call/SMS metadata) strictly for service delivery, billing, regulatory compliance, and network planning.
2. Customer data is not sold to third parties. Data may be shared with government/regulatory authorities when legally required (e.g., lawful interception requests, TRAI/DoT compliance).
3. Marketing calls/SMS are sent only to customers who have not activated DND (Section 6.1) and have not opted out via the app's "Marketing Preferences" setting.
4. Customers may request a copy of their personal data held by NexaTel, or request account data deletion after

service termination (subject to statutory retention requirements — typically 1 year for billing records as per telecom regulations).

5. Call recordings with the voice assistant or human agents may be stored for quality and training purposes; customers are informed of this at the start of each call.

4. BILLING, REFUND & CANCELLATION POLICY

4.1 Billing Disputes

1. Customers may dispute any charge on their bill within **30 days** of the bill generation date via the NexaTel app, website, or customer care.
2. Disputes must include the specific charge, date, and reason for the dispute.
3. NexaTel will investigate and respond within **7 business days**. If the dispute is upheld, the disputed amount will be credited to the customer's next bill or refunded within 10 business days.
4. Customers are not required to pay the disputed portion of the bill while investigation is pending, but must pay the undisputed remainder by the due date to avoid suspension.

4.2 Refunds

1. **Security deposits** (broadband router, DTH set-top box, postpaid SIM in some circles) are refundable within 30 days of service termination and equipment return, provided equipment is undamaged (normal wear excepted).
2. **Duplicate/erroneous payments** are refunded to the original payment method within 5-7 business days of confirmation.
3. **Prepaid balance** is non-refundable except in cases of proven service non-delivery (e.g., no network coverage confirmed by NexaTel technical team), in which case a pro-rated refund is issued.
4. Refunds for cancelled installation bookings (broadband/DTH) are processed within 7 business days if cancelled before technician dispatch; a ₹200 processing fee applies if cancelled after technician visit.

4.3 Cancellation & Early Termination Fees

1. Prepaid plans can be cancelled anytime; no refund is issued for unused validity/data.
2. Postpaid plans on a 12-month commitment, if cancelled before completion, attract an Early Termination Fee (ETF) equal to 50% of the remaining monthly rentals or ₹2000, whichever is lower.
3. Broadband/DTH connections on a commitment plan (installation-fee-waived) cancelled early will be charged the waived installation fee plus an ETF of ₹1000.
4. No cancellation fee applies if termination is due to NexaTel's failure to provide committed service quality (documented via 3+ unresolved complaints in 60 days).

4.4 Payment Methods

Accepted: UPI, debit/credit card, net banking, NexaTel Wallet, auto-pay (mandate-based), and cash at authorized retail outlets (prepaid only). Auto-pay failures are retried twice over 3 days before the account is flagged for manual payment.

4.5 Duplicate Bill / e-Bill Requests

1. Duplicate copies of any of the last 12 months' bills can be downloaded instantly via NexaTel App → Billing → Bill History, or requested by email at support@nexatel.example.com.
2. Physical bill copies (mailed) can be requested for a ₹25 handling fee; delivered within 5 business days.
3. e-Bill (paperless billing) can be enabled/disabled anytime via App → Billing → Preferences → e-Bill.

5. COMPLAINT & ESCALATION POLICY

5.1 Complaint Categories & Response SLAs

Category	Examples	First Response	Resolution Target
Network/Signal Issue	No signal, call drops, slow data	4 hours	48 hours
Billing Dispute	Wrong charges, duplicate billing	24 hours	7 business days
Service Activation	New SIM/broadband not activating	4 hours	24 hours
Broadband/DTH Outage	No internet/signal connectivity	2 hours	24 hours
Lost/Stolen SIM or Device	Unauthorized use risk	Immediate (suspend on request)	4 hours (replacement)
General Complaint	Plan queries, service requests	24 hours	3 business days

5.2 Escalation Levels

- Level 1 — Customer Care:** Initial complaint registration via app, phone, or chat. Ticket number issued.
- Level 2 — Escalation Desk:** If unresolved within SLA, automatically escalated to senior support; customer notified via SMS.
- Level 3 — Nodal Officer:** If unresolved after Level 2 SLA (+72 hours), case moves to the circle Nodal Officer. - Contact: nodalofficer.@nexatel.example.com (e.g., nodalofficer.tamilnadu@nexatel.example.com) | Phone: 1800-XXX-7410
- Level 4 — Appellate Authority:** Final internal escalation if Nodal Officer resolution is unsatisfactory, per TRAI (Telecom Regulatory Authority of India) guidelines. - Contact: appellateauthority@nexatel.example.com | Phone: 1800-XXX-7420 - Customers may also approach TRAI's independent consumer grievance portal (services.trai.gov.in) at any stage without needing to exhaust NexaTel's internal levels first.

5.3 Compensation for Service Failure

- Broadband/DTH outages exceeding 24 hours: pro-rated rental credit for the downtime period.
- Postpaid billing errors confirmed in customer's favor: refund + ₹50 goodwill credit.
- Repeated (3+) unresolved network complaints in a billing cycle: one month's rental waiver on request.

6. SERVICES & DEVICE MANAGEMENT

6.1 Call Management Services

Call Forwarding | Action | Method | |---|---| | Forward all calls | Dial *21*<10-digit number># then press call | | Forward when busy | Dial *67*<10-digit number># | | Forward when unanswered | Dial **61*<number>*<ring seconds># | | Forward when unreachable | Dial **62*<number># | | Deactivate specific forwarding | Dial ##21# | | Deactivate all forwarding | Dial ##002# | | Check active forwarding status | Dial *#21# | | Via app | NexaTel App → Settings → Call Management → Call Forwarding |

Do Not Disturb (DND) - Activate: SMS "START DND" to 1909, or dial 1909 and follow IVR prompts - Deactivate: SMS "STOP DND" to 1909 - Partial DND (block only promotional calls/SMS, category-wise): available via 1909 IVR menu or NexaTel App → DND Preferences - Activation/deactivation reflects within 7 days as per TRAI regulations

Voicemail / Missed Call Alert - Activate Missed Call Alert: Dial *777# - Set up Voicemail: Dial 1234 and follow setup prompts, or enable via NexaTel App → Call Settings → Voicemail

Value-Added Services (VAS) — Caller Tunes, Subscription Packs 1. Activate caller tune: Dial 543211 or via App → Entertainment → Caller Tunes (₹30/month, auto-renews). 2. Deactivate: SMS "DEACT CT" to 155223, or App → My Subscriptions → Cancel. 3. **Unwanted VAS subscription:** If a customer reports being charged for a VAS pack they didn't knowingly subscribe to, this is logged as a billing dispute (Section 4.1) — NexaTel requires proof of explicit consent (confirmation SMS/OTP log) for any paid VAS activation; if proof cannot be produced, the charge is refunded automatically. 4. View all active subscriptions: App → My Subscriptions (shows all VAS, OTT, and add-on packs with renewal dates).

6.2 SIM / Device Activation & Deactivation

New SIM Activation (Prepaid/Postpaid) 1. Purchase SIM from a NexaTel retail outlet or order online (delivered with e-KYC). 2. Complete KYC verification (Aadhaar-based e-KYC or physical ID + address proof). 3. Insert SIM; activation is typically completed within 30 minutes to 4 hours after KYC verification. 4. First outgoing call/SMS confirms activation; new postpaid connections may require an additional welcome call verification within 24 hours as per DoT (Department of Telecommunications) guidelines.

Deactivate a Phone Number 1. Submit a deactivation request via NexaTel App → My Account → Manage Number → Deactivate, or visit a NexaTel outlet with ID proof. 2. For postpaid, all outstanding dues must be cleared before deactivation is processed. 3. Deactivated prepaid numbers are held for 90 days before being recycled; postpaid numbers are held for 90 days after final settlement.

6.3 Lost, Stolen, or Damaged SIM — Duplicate SIM Replacement

1. **Immediately suspend the number:** Call 1800-XXX-6392 (24/7) or use App → Emergency → "Block My SIM" to prevent unauthorized use. This can also be done by a family member reporting on your behalf with your registered number.
2. **Visit a NexaTel outlet** with ID proof matching your KYC record to request a duplicate SIM.
3. **Verification:** Additional OTP/biometric verification may be required for security.
4. **Replacement fee:** ₹25 for prepaid, free for postpaid (once per calendar year; ₹50 for subsequent replacements).
5. **Number and balance retained:** Your number, plan, and any remaining balance/validity carry over to the new SIM. Activation of the duplicate SIM typically takes 30 minutes to 2 hours.
6. **Damaged SIM (not lost):** Same process applies; bring the damaged SIM if possible for faster processing.

6.4 Check Signal Coverage

1. Visit the NexaTel website → "Coverage Checker" and enter your pin code or allow location access to view a live coverage map (2G/3G/4G/5G availability by area).
2. Alternatively, check via the NexaTel App → Support → "Check Network in My Area."
3. If coverage is marked available but signal issues persist, raise a "Report Poor Signal Coverage" complaint (Section 5.1) for a technical team review.

6.5 Roaming Activation

-
1. Domestic roaming: automatically active for eligible plans (Section 3.3); no separate activation needed.
 2. International Roaming (IR) pack: activate via NexaTel App → Roaming → Select Destination Country → Choose Pack → Pay. Activation is instant; recommended to activate at least 24 hours before travel.
 3. Deactivate IR auto-renewal via App → Roaming → Manage Active Packs → Turn Off Auto-Renewal.

6.6 Broadband/DTH Installation Process

1. **Booking:** Apply via NexaTel website/app or call customer care with your installation address.
2. **Feasibility check:** NexaTel checks fiber/DTH signal availability at your location (usually confirmed within a few hours).
3. **Site visit & verification:** If feasible, a NexaTel representative contacts you to confirm plan selection, required documents (ID + address proof), and schedules a technician visit.
4. **Installation:** A technician installs the ONT/router (or dish + set-top box for DTH). Typical installation is completed within **24-48 hours** of booking confirmation, subject to local infrastructure readiness.
5. **Activation:** Login credentials (broadband) or channel activation (DTH) are confirmed on-site; the connection is tested live before the technician leaves.
6. If your area is not yet fiber-ready, you'll be placed on a waitlist and notified once infrastructure is extended to your location.

6.7 Change Provider — Porting OUT (Mobile Number Portability)

To port your NexaTel number to another operator (or from another operator into NexaTel):

1. **Generate UPC:** SMS "PORT <10-digit mobile number>" to 1900 (free of charge). You'll receive a Unique Porting Code (UPC) via SMS from 1901.
2. **UPC validity:** 4 days for most circles (30 days for Jammu & Kashmir, Assam, and North-East circles).
3. **Visit new operator:** Submit the UPC along with KYC documents and a Customer Acquisition Form (CAF) at the new operator's outlet. Postpaid customers must also submit a paid copy of their last bill.
4. **Eligibility requirements:** Active on current network for at least 90 days; no pending dues; no ongoing ownership-transfer request; number not under legal dispute; at least 7 days since any SIM swap.
5. **Timeline:** Same-circle porting completes within **3 working days**; inter-circle porting within **up to 15 working days**; corporate numbers take **5 working days**. A brief service interruption (up to 4 hours) occurs during the actual port-over, usually scheduled at night.
6. **Withdrawing a request:** SMS "CANCEL <10-digit number>" to 1900 within 24 hours of submitting the port request. Porting charges (if any) are non-refundable on withdrawal.
7. **Fee:** A nominal porting transaction fee (₹6-20 depending on circle) is charged by the new operator.

6.8 Data Usage Limits & Alerts

1. Set a custom data usage cap: NexaTel App → Usage → Data Limit → Set Monthly/Daily Cap.
2. Enable low-balance/low-data SMS alerts: automatically sent at 80% and 100% of your data limit or plan quota.
3. Auto-suspend data on reaching cap: toggle "Auto-stop data at limit" in the app to prevent overage charges (postpaid) or FUP speed drop (prepaid) surprises.
4. Excess data charges (if auto-stop is off): billed at ₹0.50/50MB beyond the plan quota for postpaid; prepaid FUP speed reduction applies instead (Section 3.2).

6.9 Scheduled & Auto Payments

1. **Auto-pay (mandate-based):** Set up via App → Billing → Auto-Pay → Link UPI/card/net-banking mandate. Charged automatically 2 days before the due date.
2. **Scheduled one-time payment:** App → Billing → Schedule Payment → choose a future date (up to the due date) and payment method; useful if you want to pay closer to payday rather than immediately.
3. Both scheduled and auto-payments can be cancelled or modified up to 24 hours before the scheduled charge date.

6.10 Address / Account Detail Changes

1. **Change registered address:** App → My Account → Update Address (requires fresh address proof upload);

reflects within 48 hours. Required for correct billing-address-based tax computation and physical bill delivery.

2. **Change registered name (e.g., after marriage, legal name change):** Requires visiting a NexaTel outlet with the old ID, new ID/gazette notification, and a filled change-of-particulars form; processed within 7 business days.
3. **Change registered mobile number for account/OTP purposes:** App → My Account → Security → Update Alternate Contact, verified via OTP to both old and new numbers.
4. **Ownership transfer (transferring a connection to another person):** Requires both parties' ID proof, a signed transfer request form, and clearance of all outstanding dues. Processed within 7 business days at a NexaTel outlet.

6.11 Insurance Claim Process (Nexa Max Plan Benefit)

1. The ₹2 lakh accidental insurance cover bundled with the Nexa Max plan is underwritten by NexaTel's insurance partner and is active only while the Nexa Max plan is continuously active (no gap in recharge beyond 3 days).
2. **To claim:** Submit a claim via App → Benefits → Insurance Claim, or call the dedicated insurance helpline: 1800-XXX-5511, within **30 days** of the incident.
3. **Documents required:** Claim form, incident report/FIR (for accidents), hospital records (for medical claims), and proof of active Nexa Max subscription at the time of the incident.
4. **Processing time:** Claims are reviewed within 15 business days of complete document submission; approved claims are disbursed directly to the nominee/claimant's bank account within 7 additional business days.
5. NexaTel facilitates the claim submission but the insurance partner underwrites and approves claims independently; NexaTel is not liable for claim rejection decisions made by the insurer.

7. FREQUENTLY ASKED QUESTIONS (FAQ)

Q: How do I check my data/call balance? A: Dial *123# or check the NexaTel app under "My Account" → "Usage."

Q: I recharged but my plan hasn't activated. What do I do? A: Activation is usually instant. If not activated within 30 minutes, restart your device. If still inactive after 1 hour, contact customer care with your transaction ID.

Q: How do I change my postpaid plan? A: Plan changes can be requested via the app under "My Plan" → "Change Plan." Changes take effect from the next billing cycle; mid-cycle changes are pro-rated.

Q: What happens if I don't pay my postpaid bill on time? A: A grace period of 5 days is given after the due date. After that, outgoing services are suspended; after 15 more days, incoming services are also suspended. Full disconnection occurs after 45 days of non-payment.

Q: Can I keep my number if I switch from prepaid to postpaid (or vice versa)? A: Yes, this is a plan migration (not MNP) and is processed within 24–48 hours via the app or a NexaTel outlet, with no change to your number.

Q: How do I port my number to NexaTel from another operator? A: Send "PORT <10-digit number>" as SMS to 1900, receive a Unique Porting Code (UPC), and submit it with KYC documents at any NexaTel outlet within the UPC's 4-day validity. See Section 6.7 for full eligibility rules and timelines (3–15 working days depending on circle).

Q: Is there a cap on unlimited calling? A: Yes, unlimited voice plans are subject to Fair Usage Policy — see Section 3.2.

Q: How do I dispute a bill I think is wrong? A: Raise a dispute via the app or customer care within 30 days of the bill date. See Section 4.1 for the full process.

Q: How do I cancel my broadband connection? A: Submit a cancellation request via the app or customer care at least 7 days before your next billing date. Note applicable Early Termination Fees if under a committed plan (Section 4.3).

Q: Do you offer student or senior citizen discounts? A: Yes, a 10% discount on select postpaid plans is available for verified students and senior citizens (65+) upon document submission.

Q: How do I get a refund for my security deposit after disconnection? A: Return the router/set-top box in working condition within 15 days of disconnection. Refund is processed within 30 days to the original payment method or bank account on file.

Q: What should I do if I'm being overcharged for roaming? A: Confirm whether an International Roaming pack was active during your travel dates. If overcharged despite an active pack, raise a billing dispute within 30 days for investigation.

Q: How do I activate call forwarding? A: Dial *21*<10-digit number># to forward all calls, or use the NexaTel App → Settings → Call Management. See Section 6.1 for busy/unanswered/unreachable variants.

Q: How do I stop getting promotional calls and SMS? A: SMS "START DND" to 1909, or manage preferences via NexaTel App → DND Preferences. Changes reflect within 7 days.

Q: How long does it take to activate a new SIM? A: Typically 30 minutes to 4 hours after KYC verification is completed.

Q: How do I check network coverage in my area before buying a plan? A: Use the "Coverage Checker" on the NexaTel website or App → Support → "Check Network in My Area," entering your pin code or allowing location access.

Q: How long does broadband installation take? A: Usually 24–48 hours from booking confirmation, subject to fiber availability at your address.

Q: Can I set a data usage limit so I don't get overcharged? A: Yes, go to NexaTel App → Usage → Data Limit, and enable "Auto-stop data at limit" to avoid overage charges.

Q: Can I schedule my bill payment for a later date instead of paying now? A: Yes, use App → Billing → Schedule Payment to choose any future date up to your due date.

Q: I lost my SIM. What should I do? A: Immediately block it via App → Emergency → "Block My SIM" or call 1800-XXX-6392, then visit any NexaTel outlet with ID proof for a duplicate SIM. Your number and balance carry over. See Section 6.3.

Q: I'm being charged for a subscription/caller tune I never activated. What can I do? A: This is treated as a

billing dispute. If NexaTel cannot show proof of your consent (confirmation SMS/OTP), the charge is refunded automatically. Raise it via App → Billing → Dispute Charge. See Section 6.1.

Q: How do I get a duplicate copy of an old bill? A: Download instantly via App → Billing → Bill History (last 12 months), or request a physical copy for ₹25.

Q: How do I update my address on my account? A: App → My Account → Update Address, with a fresh address proof upload. Reflects within 48 hours.

Q: How do I claim the insurance benefit that comes with my Nexa Max plan? A: Submit a claim via App → Benefits → Insurance Claim within 30 days of the incident, or call 1800-XXX-5511. See Section 6.11 for required documents and timelines.

Q: What are your international calling (ISD) rates? A: Rates vary by destination country, typically ₹5-15/min. Check exact rates in-app under "ISD Rates," or consider the ISD Value Pack (₹299/100 minutes, 28-day validity) for frequent callers.

Q: What happens to my personal data when I close my account? A: NexaTel retains billing records for the statutory minimum period (typically 1 year) as required by telecom regulations, after which data is deleted on request. See Section 3.6.

Q: If I'm unhappy with how NexaTel resolved my complaint, what can I do? A: You can escalate to the circle Nodal Officer, then the Appellate Authority if still unresolved (Section 5.2), or approach TRAI's independent grievance portal at any stage.
